

Diversifying Leadership Champion Directory 2023/2024

Our DL Champion Community consists of people within Higher Education institutions who work closely with Advance HE to promote the programme and support delegates through the application and booking process. You can see if your University has a Champion below.

The role of the Champion

1. Booking places on the programme
2. Facilitating an internal application process within your institution to select five successful applicants for the programme – communicating with us on who will be attending within the Advance HE application window.
3. Helping participants to find a suitable sponsor within your organisation
4. Supporting participants and ensuring they have the necessary time to attend and actively engage in the programme
5. Acting as the primary point of contact if a delegate is unable to attend a module.
6. Feeding back to Advance HE during the year to let us know how we can improve

Institution	Champion
Anglia Ruskin University	Jamie Crowe
Nottingham Trent University	Nicky Thorpe
Bath Spa University	Sarah Priston
Brunel University London	Jean Meehan
Durham University	June Hedley
Kingston University	Lexi Herber
Leeds Trinity University	Sue Carr
